MATERIALS:

Nurturing Fibres Kid Silk Lace 1(2) balls
Nurturing Fibres soft spun lace 1 ball
4,5 mm and 5mm needles,

ABREVIATIONS USED IN THE PATTERN

K – Knit
P – Purl
KFB – Knit into the front and back of the stitch
K1p1 – Knit one stitch, purl one stitch

PATTERN NOTES:

There are 2 sizes in this pattern. To achieve the larger one keep repeating the 5 row repeats.
Tension**:** The tension is not vital, as long as the yarn is airy and soft, then it will be fine.

I used my awesome knit pro circulars. The cable allows the space needed for the eventual stitch count and the knit pro cables are super fine and flexible

Knit with a happy heart!

CAST OFF:
Using the 5mm needle, cast off following the moss stitch pattern. K1, p1, pass k stitch over, *k1, pass p stitch over, p1 pass k stitch over* until all stitches are cast off. This takes longer to bind off but is essential as it stops the edging from rolling.
