

TWISTED BERET

A Fun and quick knit that is best suited for intermediate knitters or beginner knitters who are eager to try new skills.

Materials:

100g NURTURING FIBRES
Spaghetti Aran

Pattern notes:

There are 2 different pattern options. If you want a slouchier beret, after the increase section, knit 12 rows instead of 8 rows. This will give you a slouchier beret

Remember to check that your tension square is correct. If your tension is too loose, then use a smaller needle. If your tension is too tight then try a bigger needle
