PATTERN NOTES

- Make 2 square panels as per instructions.
- Use 5 strands of yarn: 3 strands of Karoolands and 2 strands of Anvil.
- Due to the nature of the Trinity Stitch the inner will be visible through the stitches, therefore purchase a matching colour cushion to use as stuffing.

- Cushion has no envelope opening due to the thick chunky nature of the fabric.
- Do not knit too tightly, keep sts loose to medium gauge, looser at garter stitch edges.
- Make sure all strands of yarn are even when knitting and make sure all strands are collected when pulling the sts through.

STITCH PATTERN

4sts repeat / 4 rows repeat.

Row 1: RSF: Purl.

Row 2: WSF: K1, P1, K1 into the same stitch, P3tog. Repeat.

FINISH UP

Place the panels together with wrong sides facing each other.

- With a single strand of matching yarn and a darning needle, tack together 3 outer edges of panels, then tack again at outer edge of central Trinity Stitch section on same 3 edges creating the outer garter stitch flap.
- Stuff the inner cushion through the remaining 4th side open gap, then finish closing cushion in the same manner as above.
