Pattern

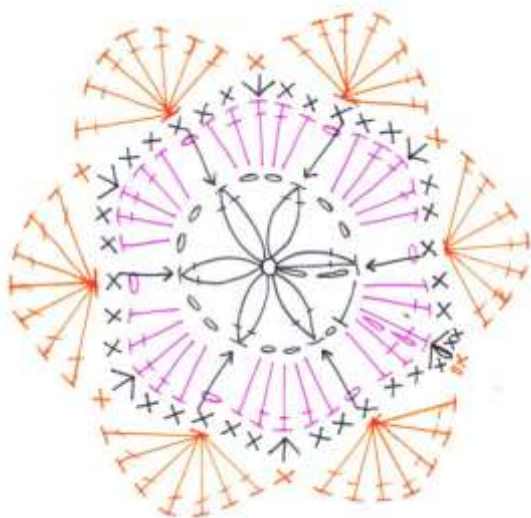

Round 1: Work following into magic loop – 2ch, 2dc tog, 2ch, *2dc tog, 2ch*. Repeat *-* 5 times. Finish round – 1ch and 1hdc following way – with color A yo, hook into top stitch of 1st 2dc tog of this round, yo, pull through, yo with color B and pull through all 3 loops on your hook. [See picture #1](#)

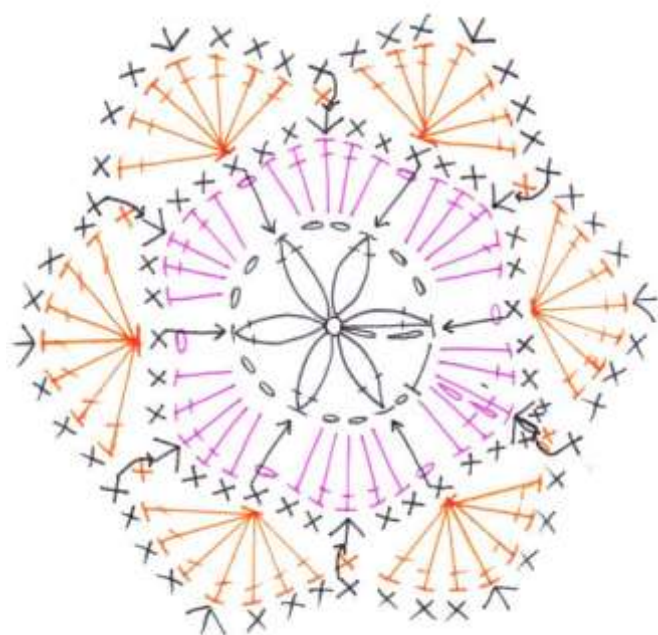

Round 2: (with colour B) 2ch, crochet in hdc from 1st round 2dc, 1hdc, 1ch, crochet in next 2ch space *1hdc, 3dc, 1hdc, 1ch*. Repeat *-* 5 times. Finish round – crochet in hdc space from 1st round 1 hdc, 1dc, sl.st. into 1st dc of this round. Cut yarn color B, leaving long enough tail to weave in later. First pull thread end to the front of your motif and then threaded through sl.st. space to the back of your work. [See picture #1](#)

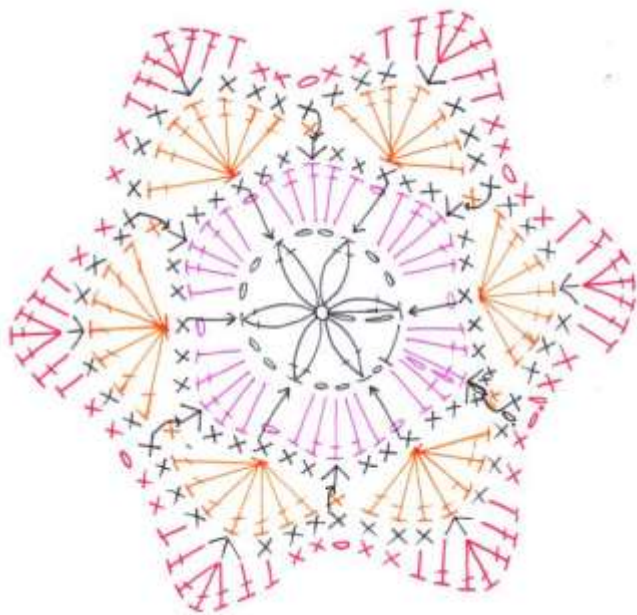

Round 3: Insert your hook in to sl.st space from 2nd round and pick yarn color A from the back of your motif and pull it through creating 1st ch. [See picture #2](#) Now work as follows – 2sc into sl.st. space where you just created 1st ch, 1sc in next 2 st., 1sc into 2dc tog from 1st round, *1sc into next 2 st, 3sc into next, 1sc in to next 2 st, 1sc into 2dc tog from 1st round* - rep *-* 5 times. Finish with 1sc into next 2 st, color change as follows with color A insert hook into sl.st. space from beginning of this round, yo, pull through, with color C yo and pull through 2 loops on your hook.

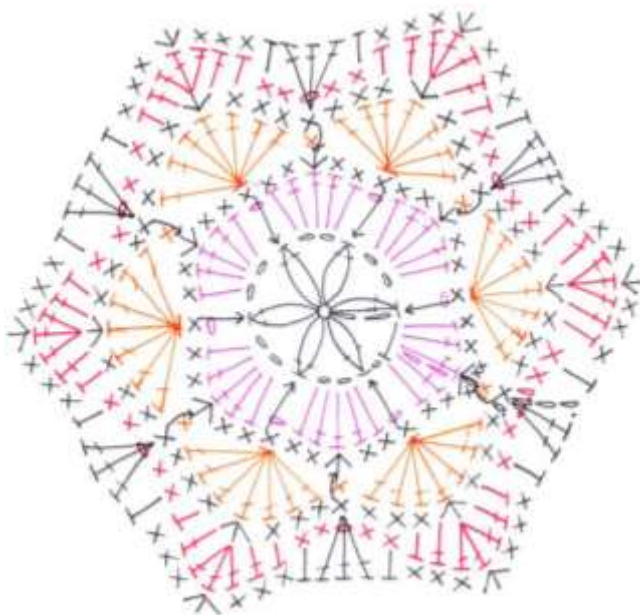

Round 4: (working with color C) 1ch, miss 3 sc, work all 7 dc into back 2 loops of sc from 3rd round (if you only use 1 back loop it will create hole which you don't want, so anchor your hook behind 2 loops at the back .. It's a bit tight and tricky for your first dc, but fine for the rest 6) see picture #3, miss 3sc, * 1sc, miss 3 sc, work all 7 dc into back 2 loops of sc from 3rd round, miss 3sc* Repeat *-* 5 times. Finish this round by sl.st. in to 1st ch of this round. Cut yarn C, leaving long enough tail to weave in later. First pull thread end to the front of your motif and then threaded through sl.st. space to the back of your work. See picture #3

Round 5 : (working with color A) Insert your hook in to sl.st space from 3rd round and pick yarn color A from the back of your motif and pull it through creating 1st ch. Work as follows: *1sc into middle sc of 3sc group from 3rd round (see diagram), 1sc into each next 3 st, 3sc in next st, 1sc in to each of next 3 st*. Repeat *-* 6 times. Finish this round with inserting your hook into 1st sc of this round, yo with color D and pull through.

Round 6: (working with color D) 1ch, *1sc into next 2st, 1hdc, 1dc, 3dc into next st, 1dc, 1hdc, 1sc into next 2 st, 1ch, miss 1*. Repeat *-* 6 times. Finish this round by sl.st. in to 1st ch of this round. Cut yarn D, leaving long enough tail to weave in later. First pull thread end to the front of your motif and then threaded through sl.st. space to the back of your work. See picture #4

Repeat *-* 5 times. Finish this round – miss 1sc, 2dc into sl.sp. space from 5th round where you created your first ch in the beginning of this round, sl.st. to 2nd ch from beginning. Cut thread by leaving long enough end to weave in later.

Joining hexagons:

I like to plan my color sequence and join hexagons as I go.

Complete your 1st hexagon and with rest of them you will be joining them in 7 round following way.

Corner Join

Work 7th round to your first “corner”, and instead of crocheting 3sc in 1 crochet work in 1 st (1 sc, inset hook from the top into middle of 3sc “corner” of your completed hexagon, the working thread should be at the bottom of your work, yo and pull through sc and loop on your hook creating sl.st., 1sc). Then carry on with motif till you get to middle of hexagon side.

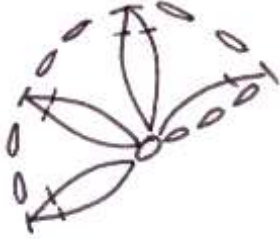

Side middle join:

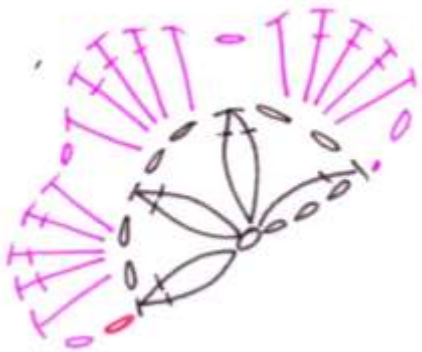

Middle of your side is 3dc in 1sc from 5th round – to join work in this st. – (1dc, 1dc halfway join – yo, into st, yo, pull 1 loop, you have 3 loops on your hook, yo, pull through 2 loops, insert your hook from the top of 2nd dc of “dc 3dc side group” of your complete hexagon, yo, pull through all st. and loops on your hook, 1dc to complete “3dc side group”.

Half of Hexagon “Frida”

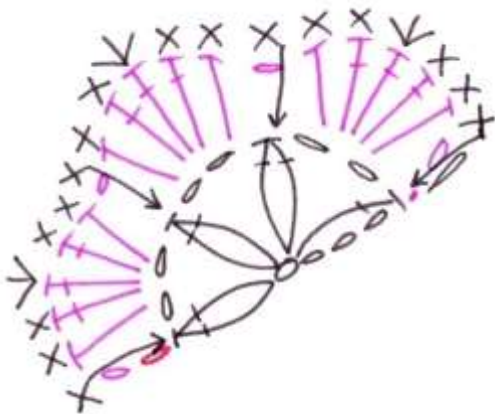

Row 1: Work following into magic loop – 2ch + 1dc tog, 2ch, *2dc tog, 2ch*. Repeat *-* 2 times. To finish row crochet 2dctog, but use color B to go through last 3 loops on your hook of your 2dctog.

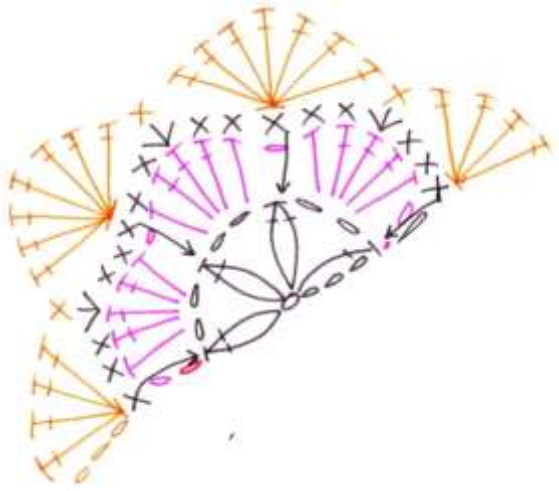

Note: you will be running your color A between stitches in this row (like in tapestry crochet). It will let you pick color A at the beginning of row 3.

Row 2: (with color B) 2ch, crochet in 2ch spaces from 1st row *1hdc, 3dc, 1hdc) 1ch*. Repeat *-* 3 times. Finish row with 1ch and sl.st. into 2ch + 1dc tog from row 1. Cut yarn color B, leaving long enough tail to weave in later.

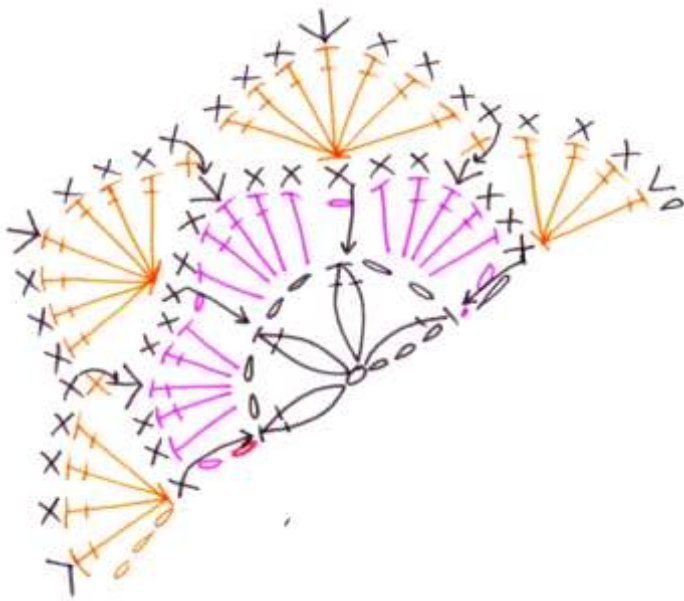

Row 3: Insert your hook in to sl.st space from 2nd row and pick yarn color A from the back of your motif and pull it through creating 1st ch.

Now work following – 1sc into sl.st. space where you just created 1st ch, *1sc in next 2st., 3sc into next, 1sc in to next 2st, 1sc into 2dc tog from 1st row*. Repeat *-* 3 times.

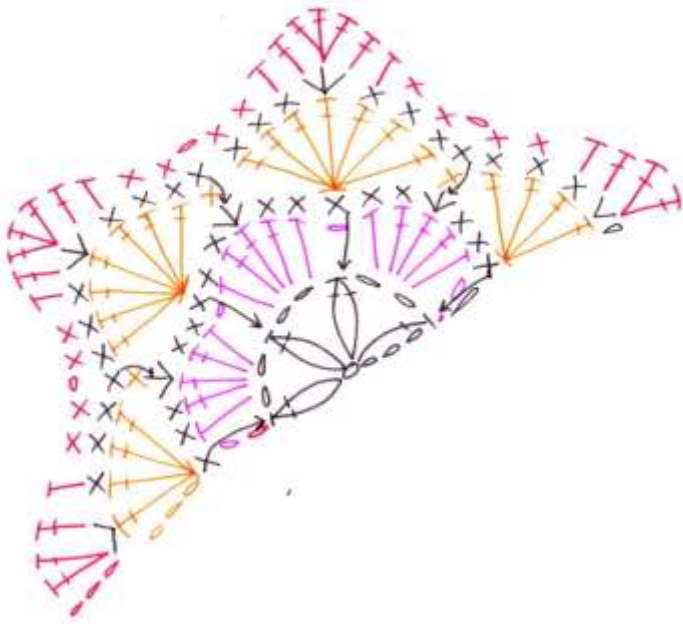

Note: you will be running your color A between stitches in this row (like in tapestry crochet). It will let you pick color A at the beginning of row 5.

Row 4: (working with color C) 3ch, 4dc into sc from 3rd row, miss 3, 1sc, *miss 3, work all 7 dc into back 2 loops of sc from 3rd round, miss 3sc, 1sc*. Repeat *-* 2 times. Finish this row with miss 3, 4dc into sc from 3rd row. Cut yarn C, leaving long enough tail to weave in later.

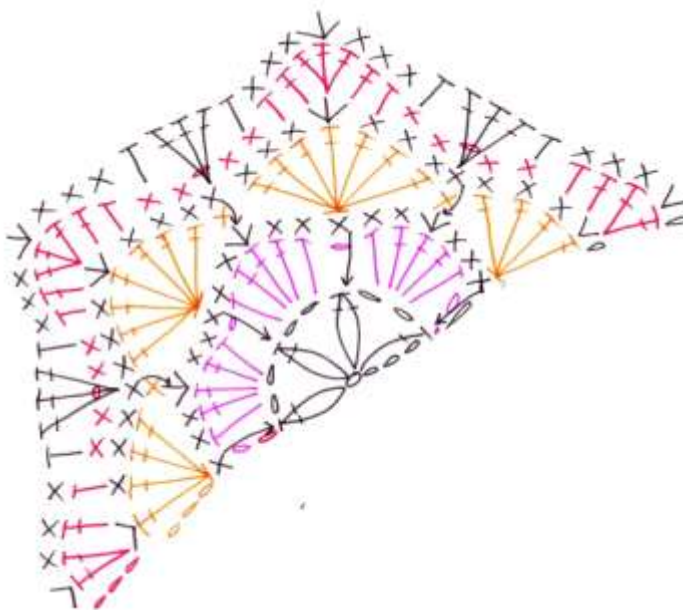

Row 5: (working with color A) insert your hook in to last dc from 4th row, pick yarn color A from the back of your motif and pull it through creating 1st ch.

Working following – 2sc into dc from 4rd round, 1sc into each next 3 st, *1sc into middle sc of 3sc group from 3rd round (see diagram), 1sc into each next 3 st, 3sc in next st, 1sc in to each of next 3 st*. Repeat*-* 2 times. Finish this row with 1sc into each next 3 st, 2sc in last dc.

Note: you will be running your color A between stitches in this row (like in tapestry crochet). It will let you pick color A at the beginning of row 7.

Row 6: (working with color D) 3ch, 2dc in same st as 3ch, 1dc, 1hdc, 1sc into next 2st, 1ch, miss 1, *1sc into next 2st, 1hdc, 1dc, 3dc into next st, 1dc, 1hdc, 1sc into next 2 st, 1ch, miss 1*. Repeat *-* 2 times. Finish this row with 1sc into next 2st, 1hdc, 1dc, 2dc into last st. Cut yarn D, leaving long enough tail to weave in later.

Row 7: (working with color A) insert your hook in to last dc from 6th round and pick yarn color A from the back of your motif and pull it through creating 1st ch, 2sc into same dc from round 6. *1sc into next 3st, 1hdc, miss 1sc, 3dc into sc from 5th row (work over 1ch from 6th round), miss 1sc, 1hdc, 1sc into next 3st, 3sc into next st*. Repeat *-* 2 times. Finish this row with 1sc into next 3st, 1hdc, miss 1sc, 3dc into sc from 5th row (work over 1ch from 6th round), miss 1sc, 1hdc, 1sc into next 3st, 2sc into last st. Cut thread by leaving long enough end to weave in later.
