Klein Begin

Colour used: 1 x soft palette mini skeins, 1 skein Lunar all in SuperTwist Sock
Designed By Carle' Dehning for Nurturing Fibres

NURTURING FIBRES

This pattern carries the humble name of KleinBegin [small beginnings] because we started off this little nurturing business as a team of 2, Nolundi and I, and our team has grown. We now employ 16 people and am sure this number will keep growing.

This pattern starts with a 'klein begin' of 3 stitches and keeps growing, just like our business
